

Preliminary workshop in Mangaliliu, 8 May 2012

			Name of Organization	
			activities, characters etc	
			Problem, challenges, issues etc	
Mangaliliu Local Caterig (MLC)	Health Committee water management committee	Lelema Working Group (Resource management)	Church	
-Long time existence (donot remember when started) -Peace Coup volunteer trained community for catering -member: some women -offer catering in special occasions/visitors -catering about 4-5 times/year -300.000 vatu sales with big		-focus only on fisheries resource -started from 2006 with the Grace of the Sea Project phase I -Focus on limited target species, such as green snail, troca, and giant clam	Eilder/Paster/Deacons group	Decision-making body
			Church Opening Committee	
			Church Building Committee	
			Youth	-Every Thursday, different program
			(National) PWMU (Women's Group)	-Agriculture (sometime)
			Men's fellowship group	-Agriculture -Every Monday PM prayer -all the heads of families are members
			Sunday school	-for children under 12
			Girls Brigade	-every Saturday -for 5-15 years old -activities similar to girls scout
Siloa Catering	School Committee Kindergarden	Mangaliliu MPA Management Committee		
-Similar activities with MLK -sometimes offer catering for Port Vila -local speciality (such as root vegetables) is the advantage	-members: Parents who has children at school	-Work with VFD when there is any project -sometimes do monitoring by diving -3 members and all the youth -used to have clam rearing. But afterwards, not much activities going on		
Kraft Committee		-need legal system to support MPA -need to manage not only target species but also other species -resource decreasing outside MPA -development of pelagic/ deep sea fisheries is necessary		
-everyone is the memmer -make neckless, basket etc -started 2 - 3 years ago				
Roy Mata Domain Committee				
-Organize tour for tourists
